Annual Report 2020-21

Academics

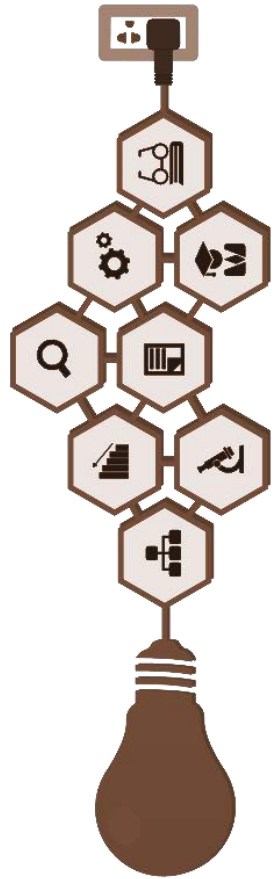

- We started with our Academic Session 2020-21 from 6th April 2020 with Zoom online classes which was much appreciated by all of you.
- Summer Holiday Homework was designed, logiqids summer assignments, mind spark program, Newton activity sheets were sent to keep students engaged in constructive activities during lockdown.
- Rigorous Teacher Training Programs were held in the month of May.
- Due to requests from many parents to switch over from Zoom we moved on and purchased the licensed Microsoft Teams for conducting online classes from June.

□ Academics

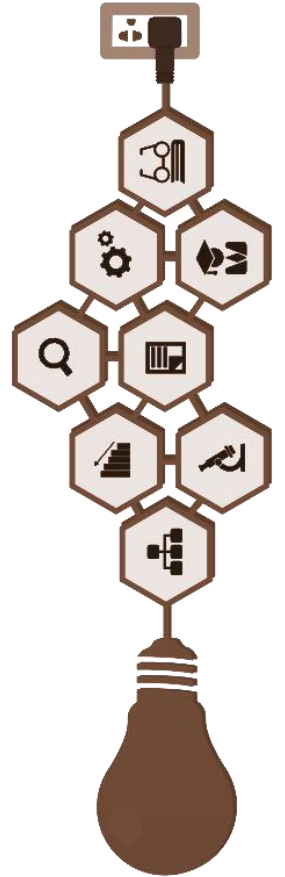

- Academics was supported by more of audio-visual aids. Our teachers have been sending and uploading study material, links of videos, along with regular exercise schedule prepared by our sports department, dance tutorials, art and craft tutorials, music tutorials, etc. Students and parents have appreciated the efforts of the teachers and have been sending appreciation emails.
- Digital Content for all subjects was uploaded lesson wise on Microsoft Teams throughout the year.
- At present we have installed all technical facilities for conducting online classes from school. All the teachers are taking their online classes from school premises.
- Subject wise teacher training sessions were organized for teachers.

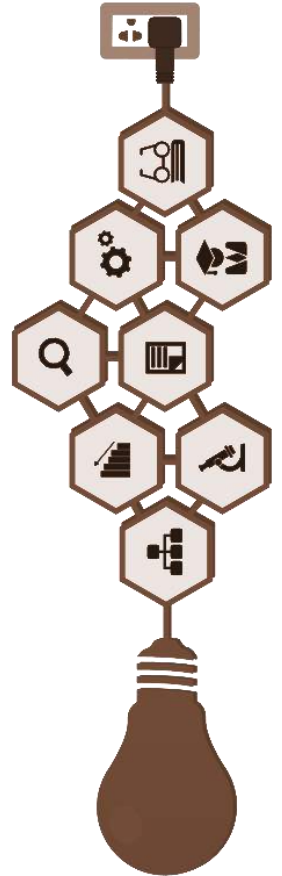

Practicals

- ❖ Virtual Lab Activities were conducted by the teachers through Teams and Labs.
- ❖ Physical practicals for Science – Physics, Chemistry and Biology were conducted for Secondary Section.

Extra-Curricular Activities

- We introduced the special assemblies online to make sure that students have the feel of actual school and with the motive of inculcating necessary values in our students.
- We also designed many Inter-House Activities. In fact, many Inter House Online competitions have been successfully completed and the results have been shared with the students.
- All the events, festival celebrations, national days were celebrated with great zeal and enthusiasm.
- The section wise Annual Days are planned.

Field Trips & Educational Tour

- The brain's favourite way of learning is 'Play'.
- Our kids were taken to virtual field trips where they learnt the practical application of knowledge gained in school.
- Also, it opens new horizons of thoughts, career options, knowledge of new things and most of all to have fun.
- Educational Tour was conducted (Bharat Bhraman) which was much appreciated by the students and parents.
