Curriculum Modules Expo Circular

Dear Parents,
Greetings of the day!

An effective curriculum provides teachers, students, school leaders and community stakeholders with a measurable plan and structure for delivering a quality education. The curriculum identifies the learning outcomes, standards and core competencies that students must demonstrate before advancing to the next level.

The Curriculum Module Expo provide an excellent opportunity for students to delve into the world of Science, Education and Technology. It not only fosters their curiosity and critical thinking but also encourages them to explore sustainable solutions for a better future. There are no dreams too large, no innovation unimaginable and frontiers beyond the reach of the students of C M international School.

It gives us the immense pleasure to announce about the **Curriculum Modules Expo** with the theme of **Atmanirbhar Bharat** for Grade I-IX to be held on **26th (Thursday) and 27th (Friday) October 2023**, with a view to encourage and fosters the overall development. Our students will showcase their innovative skills in different fields like Science, Technology, Robotics, Social Science, Mathematics, Languages, Music, Dance, Art and Craft, Counseling, Sports, Designing, etc.

Objective of the Expo –

- The objective of the activity is to increase students' efficiency. Our students will explore their aesthetic skills, team management and enhance their knowledge through experiments and creative work.
- It will provide an opportunity to students to express and exchange their creative ideas.

- We believe innovation sees the best outlet in students. So, to enrich and enhance critical thinking, problem solving skills, cognitive skills, psychomotor skills, social skills and life skills, we have planned **Curriculum Modules Expo** for our students.

Students Activity:

- Students can choose any subject as per their interest and perform/ display their work.
- Still model, working model, projects and presentations are allowed.
- Students can perform / display their work individually or in group.
- Laptops will be allowed for students showcasing case studies, whenever required for models. Approval for the same has to be priorly can be done through a diary note to the class teacher.
- **Kindly note-** Responsibility of the device will be completely of student. School should not be held responsible in case of any damage or loss.

Note- Students of Grade I to IX may register their names, topics and theme to their respective class teachers.

Kindly note the following instructions for the same –

- 1) Students reporting time will be 8.10 AM and dispersal will be at 3.00 PM.
- 2) Students are to compulsorily wear Regular School Uniform and ID Cards for the activity.
- 3) Students are to bring two tiffins and water bottles on the day on expo.
- 4) It will be a Bagless Day on the day of Expo .Students to bring only one rough book, almanac.

Wishing you all the best!

Regards,

Iqbal Kaur

Principal
