**Student Council 2023-24**

Dear Parents and Students,

Greetings....

***“Leadership is not about title or designation, it’s about impact, influence and inspiration.”***

C M International School believes in developing the overall personality of a child. Inculcating leadership skills in students is of paramount importance. To teach students the true essence of democracy, we will be forming the **School Student Council** for the Academic Year 2023-24. School Council Elections will be held for the same where all the students will cast their votes and various members of the Student Council will be elected. This will enhance their experience of analysing and decision making.

Various positions in the School Council given are allocated as follows:
